

## **SPATIAL COGNITION IN A MULTIMEDIA AND INTERCULTURAL WORLD** **ICSC 2018 – 7<sup>th</sup> International Conference on Spatial Cognition – Rome, 10-14 Sept. 2018**

We are pleased to announce the *7th International Conference on Spatial Cognition* (ICSC 2018), which will take place on September 10-14, 2018, at 'Sapienza' University of Rome.

ICSC 2018 will be devoted to:

### ***Spatial Cognition in a Multimedia and Intercultural World***

thus exploring the links between the general topic of the Rome conferences and the challenges introduced by the new media and increasing intercultural exchange.

In order to foster interdisciplinary discussion and spread new, innovative research on spatial cognition, all space-related disciplines and approaches (psychological, computational, engineering, neuroscientific, philosophical, etc.) will be considered. Topics of ICSC 2018 include all aspects of spatial cognition in relation to media and/or culture.
