

28th BOMG Meeting

Wednesday, 17th December 2019

9:30 am – 6:00 pm

Hadyn Ellis Building, Cardiff University CF24 4HQ

British Ocular Motor Group

We are pleased to announce the upcoming 28th one day meeting of the BOMG, which will take place at Cardiff University on Tuesday, December 17th.

The BOMG aims to bring together researchers from different disciplines whose research involves the recording and analysis of eye movements, including (but not limited to) oculomotor research, ophthalmology, optometry, brain imaging, developmental psychology, psychophysics, cognitive decision making, cognitive linguistics, computer science, engineering, etc.

As in previous meetings, the focus will be to showcase the latest results as well as exchange experiences and methods used across different disciplines, especially within vision research.

We look forward to welcoming you to Cardiff!

We gratefully acknowledge financial support from the following:

Cardiff Schools of:

**Optometry and Vision Sciences
& Psychology**
