

An aerial photograph of a coastal area featuring a long, narrow beach with light-colored sand. The water is exceptionally clear, showing various shades of blue and green, indicating shallow depths and possibly coral reefs or rocks beneath the surface. The coastline is densely forested with green trees. Several small boats are visible in the water, and many people are scattered across the beach. On the left side of the image, there is a large, stylized white graphic element consisting of overlapping, curved lines that resemble a modern logo or abstract design.

5TH INTERNATIONAL
CONFERENCE ON
**SMART AND
SUSTAINABLE**

July 1-4, 2020 / Bol (Brač) / Split, Croatia
