European Summer School

Sensory Neuroscience

Online: July 24-28
Pisa: July 31-August 4

Promoted by four members of the Circle U. alliance (University of Pisa, Humboldt-Universität zu Berlin, UCLouvain, Aarhus University) the European Summer School in Sensory Neuroscience (Master's degree level) is a fully funded program open to students with diverse backgrounds.

The program includes lectures (online and in Pisa) and hands on activities, including an fMRI bootcamp at Imago7 (ultra-high field MR facility just outside Pisa) and a site visits to IMT (Lucca).

Organizers:
Paola Binda (Pisa)
Olivier Collignon (Louvain)
Martin Rolfs (Berlin)
Morten Storm Overgaard (Aarhus)
