

**Faculty of Economics, Administrative and Social Sciences,
Department of Psychology
Full-time Faculty Position in Experimental/Cognitive Psychology**

Department of Psychology invites applications for a full-time position. We are looking for candidates with research specialization in Experimental Psychology, Cognitive Psychology or Neuroscience with a strong potential to develop a focused and prolific research agenda. Preference will be given to early- and mid-career researchers (i.e., recent doctoral graduates, Assistant/Associate Professors). Successful candidates will be expected to teach English curriculum for undergraduate and graduate courses.

Kadir Has University is a highly competitive private institution at the heart of Istanbul, Türkiye with large enrollment in psychology. The department currently offers an undergraduate degree, M.A. and Ph.D. degrees in “Psychological Sciences,” and a professional M.A. degree (without thesis) in “Sports & Health Psychology” (the only such program in Turkey). The department has several active research laboratories; see: <https://sgs.khas.edu.tr/en/master-degree-programmes/ma-in-psychology/thesis/about-the-program>

Review of applications will begin immediately and will continue until the position is filled. The successful candidate is expected to start as early as is convenient for both parties.

Applications are handled in two stages. Interested applicants should first submit a Curriculum Vitae only. Upon review, the applicant may be invited to submit further materials which include (1) a cover letter, (2) a research statement, (3) three representative scholarly papers, (4) a teaching portfolio (including a description of teaching interests and philosophy; and past teaching evaluations and syllabi, if available), and (5) two letters of recommendation. All materials and inquiries should be sent to the faculty search committee at psy@khas.edu.tr
